

Contraction Cards

These cards may be used alone or with this [contraction worksheet](#).

To use, just print, and cut along solid lines. Children then match the word phrase to the correct contraction. Laminating will extend the life of the contraction cards.

does not	doesn't
has not	hasn't
he is	he's
I have	I've
there is	there's
we have	we've
what is	what's
