

Dot-to-Dot

Numbers 1-10

Beginning with number 1, draw a straight line to number 2, then draw a line to number 3 and so on until you complete the picture.

After you have connected all of the dots, color the picture your favorite color, cut it out, and give your beautiful picture to someone you love.

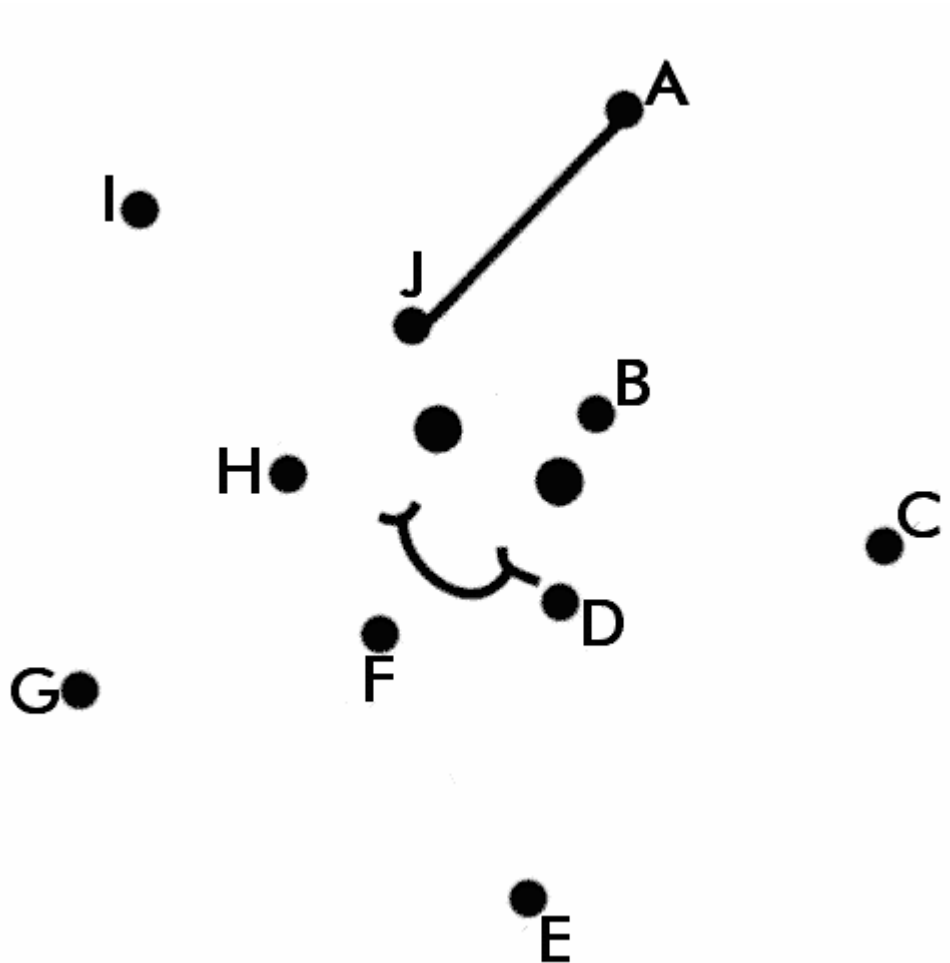

Write the numbers 1 - 10 on the line.

Dot-to-Dot

Letters A-J

Begin with letter A, and draw a straight line to letter B, then draw a line to letter C and so on.

After you have completed the picture, color it your favorite color, cut it out, and give your beautiful picture to a friend.

Fill in the blank lines with letters from your picture to spell a word.

Hint: This star prefers water over the sky.
