

Dot to Dot

a preschool worksheet

Beginning with number 1, draw a straight line to number 2, then draw a line to number 3 and so on.

After you have completed your dot to dot, color it your favorite color, cut it out and give your beautiful picture to someone you love.

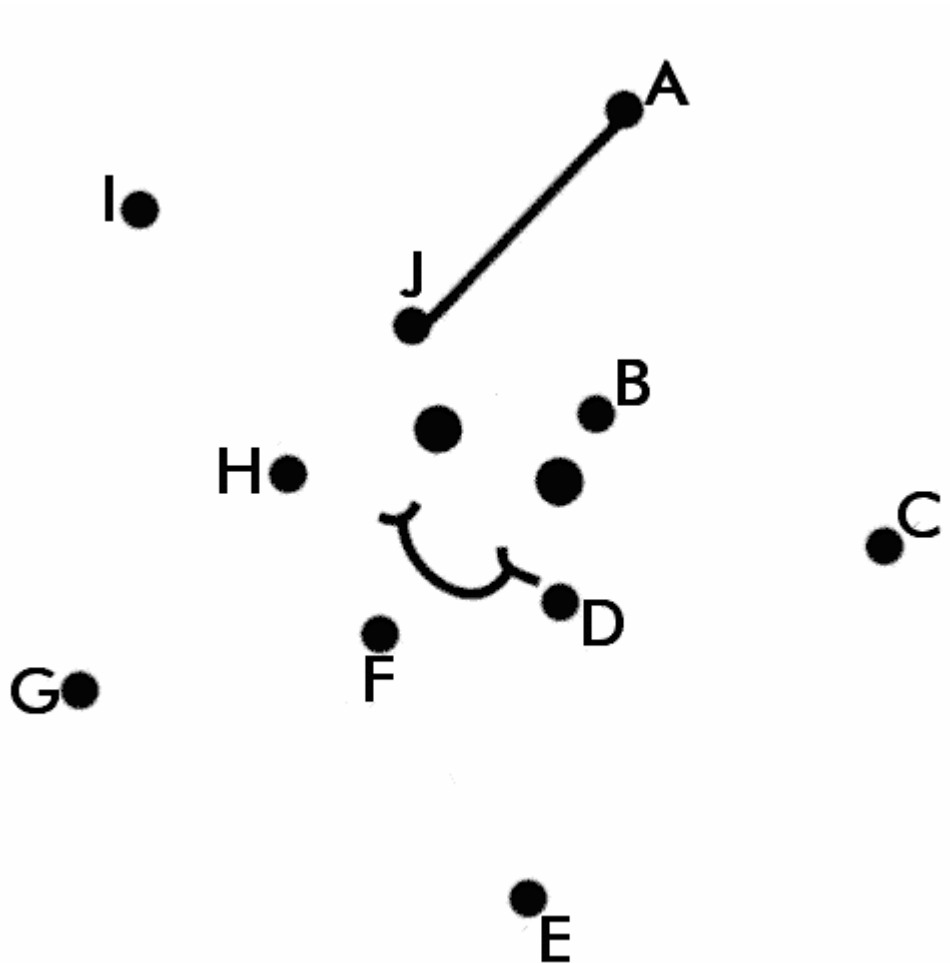

Write the numbers 1 - 10 on the line.

Dot to Dot

a preschool worksheet

Beginning with letter A, draw a straight line to letter B, then draw a line to letter C and so on.

After you have completed your dot to dot, color it your favorite color, cut it out and give your beautiful picture to a friend.

Fill in the blank lines with letters from your picture to spell a word.
