

# Math Squares

Add the numbers going across. Add the numbers going down. Then add your answers together to fill in the last square. The first one has been done for you.

$7 + 12 = 19$

7	12	19
4	7	11
11	19	30

$11 + 19 = 30$

22	33	
11	10	

15	25	
35	10
