Analogies
Worksheet 3

An analogy consists of two pairs of related words where the relationship between the two members of each pair is the same.

Example: puppy : dog :: kitten : cat
Read: puppy is to dog as kitten is to cat
A puppy is a young dog, and a kitten is a young cat.

Choose the word which best completes each analogy.

Swim : summer :: ski : __________
carrot : vegetable :: peach : __________

(a) mountain
(b) sun
(c) winter
(d) injury

(a) orange
(b) pit
(c) fuzz
(d) fruit

Fish : school :: lion : __________

(a) savanna
(b) gazelle
(c) pride
(d) roar

football : field :: basketball : __________

(a) court
(b) hoop
(c) team
(d) baseball

Braggart : boast :: stickler : __________
teller : bank :: waitress : __________

(a) insist
(b) poke
(c) perfection
(d) difficult

(a) money
(b) restaurant
(c) worker
(d) table

Blue : green :: red : __________

(a) purple
(b) white
(c) black
(d) orange
Analogies
Worksheet 3

An analogy consists of two pairs of related words where the relationship between the two members of each pair is the same.

Example: puppy : dog :: kitten : cat
Read: puppy is to dog as kitten is to cat
A puppy is a young dog, and a kitten is a young cat.

Choose the word which best completes each analogy.

swim : summer :: ski : __winter______
carrot : vegetable :: peach : __fruit______
