Select the Tense

The tense of a verb tells you when the action of the verb takes place.

- **Present tense** means now:
  
  I am reading this paper.

- **Past tense** means any time before now:
  
  I read the paper yesterday.

- **Future tense** means not yet, but any time in the future:
  
  I will read the paper tomorrow.

Write **present**, **past** or **future** for each of the following sentences.

1. We learned about ancient Egyptians last year. ______________________
2. We will learn about ancient Greeks this year. ______________________
3. Grandfather will take me on a train ride next month. ______________________
4. Toby and I are riding our bikes at the park. ______________________
5. Dinner was ready half an hour ago. ______________________
6. I am walking to school. ______________________
7. I will ride my bike to school on Friday. ______________________
8. The tunnel is dark at night. ______________________
9. Bill Peet wrote “The Luckiest One of All”. ______________________
10. Mr. Vaughn will retire next June. ______________________
11. The mountains are tall. ______________________
12. I am washing the car. ______________________
13. Billy will start college in September. ______________________
14. Lucas is playing video games. ______________________
15. Marie Curie was a scientist. ______________________
