Make a Timeline

A timeline is a way to understand the relationship between events and the dates they took place. Make a timeline of your life. Start by listing the years in which the following events took place.

1. I was born on ___________________.
2. I took my first step on _____________________.
3. The dates my brothers and sisters were born. __________ __________ __________ __________
4. My first day of kindergarten. _______________
5. Rode my bicycle. ___________________
6. Lost my first tooth. ________________
7. Learned to read. ___________________
8. My first job. (babysitting, delivering papers, etc.) _____________.
9. Other important firsts in my life. ________________  _______________

Using the information above, write the date on the bottom and the event on the top of the timeline.

----|----------|----------|----------|----------|----------|----------|----------|----------|----------|----

Think of other events that you could chart on a timeline. (For example, your years in school, when you read your favorite books, career of your favorite musical group, etc.) Label the following timelines using this information.

----|----------|----------|----------|----------|----------|----------|----------|----------|----------|----

----|----------|----------|----------|----------|----------|----------|----------|----------|----------|----

----|----------|----------|----------|----------|----------|----------|----------|----------|----------|----

----|----------|----------|----------|----------|----------|----------|----------|----------|----------|----
