

Fraction Manipulatives

Instructions. Print the following pages, laminate, and cut along solid lines. Use these fraction manipulatives as an introduction to fractions or for the student who is having difficulty understanding fractions.

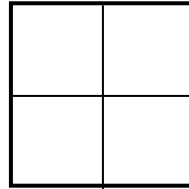

Fractions

Follow the directions.

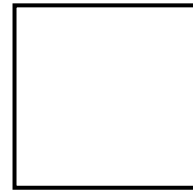

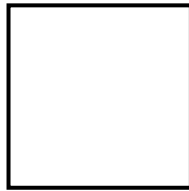

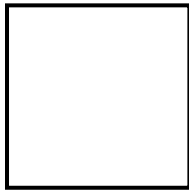

1. Color $\frac{1}{3}$ green.

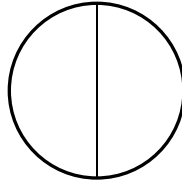

2. Color $\frac{1}{4}$ yellow.

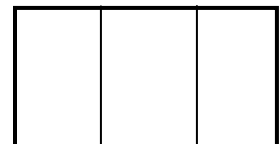

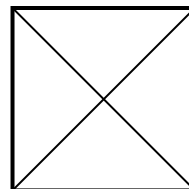

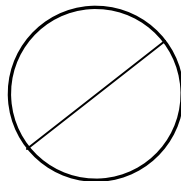

3. Divide each square into halves.

4. Color $\frac{1}{2}$ red and $\frac{1}{2}$ blue.

5. Label each portion of the shapes using $\frac{1}{4}$, $\frac{1}{3}$, or $\frac{1}{2}$.
